

# Wood Stove Changeout Incentive Program 2025

**Now Accepting  
Applicants!**

Uncertified wood stoves and inserts (generally pre-1988) waste firewood, pollute the air, and create dust in the home. Apply now to upgrade to a new, clean-burning wood/pellet stove or insert, electric stove heater, or electric heat pump.

**Get \$2,500 or  
more to replace  
your old wood  
stove!**

- 1 Submit an online application
- 2 Receive a voucher
- 3 Visit an approved Participating Retailer
- 4 Install new stove & destroy old stove
- 5 Enjoy cleaner air!

**Apply online!**
